

PROTECT YOUR HEALTH

WHILE SHOPPING, AT WORK AND AT HOME

The recommended distance between yourself and others is **six feet**

Disinfect frequently touched surfaces, especially if someone is sick.

Wash hands often for **at least 20 seconds** with soap and water. Consider using an alcohol-based hand sanitizer.

Do not shake hands with others.

Avoid touching eye, nose and mouth with hands.

Avoid close contact with anyone who is sick or has a cough or a fever.

Cover your mouth and nose when coughing or sneezing with a tissue or your sleeve. Discard the tissue in a waste bin immediately after use and wash your hands thoroughly.

Seek medical care promptly if you have fever, cough, or difficulty breathing, and be sure to share information about any recent travels with your healthcare provider.

Please follow all local ordinances and CDC guidelines regarding masks.

Do not enter the store if you have a cough or fever. Employees – please keep your manager informed if you are sick.
