A screenshot of a web application's sign-up or sign-in screen. At the top, there is a paragraph of text: "Sign up or sign in using either your email or social account. If you've already signed up for an account, please use the same method to sign in or you will create a second profile that does not have your details or certifications." Below this, there is a link "Sign up now" highlighted with a red box. Underneath, there are input fields for "Email address" and "Password", with a "Forgot your password?" link next to the password field. A "Sign in" button is located below the password field. Below the "Sign in" button, there is an "OR" separator and a section for "Sign in with your social account" with buttons for Microsoft, Google, Facebook, and LinkedIn.

### Step 1 – Create your account.

When you get to the login screen, if you are a new user, you will need to register and create an account. Click on **Sign Up Now** and follow the steps below.

**Note:** Please use your legal first and last name along with your **UNIQUE EMAIL ADDRESS**. If you have an account already associated with this email, please login. Please use the (Forgot my Password) to re-set your password and access your account if needed.

A screenshot of a web application's "Send verification code" screen. It features an "Email Address" input field, a "Send verification code" button highlighted with a red box, a "New Password" input field, a "Confirm New Password" input field, and "Create" and "Cancel" buttons at the bottom.

### Step 2 – Send the verification code.

The Canadian Red Cross LMS system uses a standard 2 step verification process to help safeguard personal data.

- Enter your work email address and click **Send Verification Code**.
- Check your inbox for the verification email. This may take a few minutes or end up in your junk/spam folders so be sure to check there as well.

The screenshot shows a web form for creating a new password. It has two input fields: 'New Password' and 'Confirm New Password'. Below the fields are two buttons: 'Create' (highlighted with a red box) and 'Cancel'.

### Step 4 – Create your password.

- Enter and confirm your new password.
- Click **Create**.

### Step 5 – Create your Profile.

- Please do not include your birthdate or telephone number as these are not required fields.

The screenshot shows the 'My Profile' form on the Canadian Red Cross website. The form is divided into several sections: 'Your Info', 'Address', and 'Share my Information?'. The 'Your Info' section includes fields for First Name, Last Name, Date of Birth, Language, Phone Number, and Email. The 'Address' section includes fields for Street 1, Street 2, City, Province, and Postal Code. The 'Share my Information?' section has three checked checkboxes for sharing information with a legislative body, training partners, and receiving future updates. A red 'SUBMIT' button is located at the bottom right of the form.
